Each phrase in this booklet adds up to a repdigit (AKA angel numbers, i.e. 11, 222, 3333, etc). Most of them were sourced from the database on [gematrix.org](http://gematrix.org), but the rest were generated at [gematriagenerator.app](http://gematriagenerator.app).

**HYPE PRETENSION** is not liable for any damages, including extrasensory phenomena, that may result from the use of these phrases.

In the event of dæmonic possession, simply remember: you are the 51+ to their 49-, and you can take your helmet off at any time!
